## PROFESSIONAL EXPERIENCE

**Internship**  
*Webex Technologies*  
I have completed an internship at **Webex Technologies**, where I gained practical experience in front-end development. During my internship, I worked on real projects, improved my skills in **HTML, CSS, JavaScript, React**, and learned to collaborate effectively within a development team. This experience helped me strengthen my technical knowledge and better understand the workflow of modern web development.

09/2025 – 11/2025  
Yerevan Armenia

## EDUCATION

**Webex Technologies**  
I have studied Front-End development and possess strong knowledge of modern technologies for building web interfaces. I have experience in creating and designing websites using HTML, CSS, Bootstrap, SCSS, Tailwind CSS, JavaScript, React, and Redux. I enjoy creating intuitive, user-friendly, and responsive designs. My goal is to continue developing as a Front-End Developer and work on real-world projects where I can combine both my technical and creative skills.
